## SLAC NATIONAL ACCELERATOR LABORATORY ACCOUNTING SYSTEM

SLAC National Accelerator Laboratory (SLAC) is a Federally Funded Research and Development Center (FFRDC) funded by the Department of Energy (DOE) and operated under a Management and Operating Contract with the Board of Trustees of the Leland Stanford Junior University.

Under this contract, SLAC is required to follow DOE policies and guidance on maintaining a financial management system that is suitable to provide proper accounting in accordance with DEAR 970.5232-7 Accounting Systems. (<https://science.energy.gov/sso/contract-management/>)

The following information is for external entities requesting audit compliance information for the purposes of contract negotiation with SLAC, only when the award is not processed through Stanford University Office of Sponsored Research.

Latest Audit: SLAC is subject to the Office of Management and Budget OMB Circular A-123 and is audited annually by Stanford on behalf of the Office of Inspector General:
